

No Surprises: TEACH for Success!

For All STAAR Assessed Grade Level Teachers

Are you working hard but not getting the results you want?

It's time to think about instruction differently! In this seminar, STAAR assessed grade level teachers will experience a series of thought provoking activities and engaging discussions that will get you excited about designing lessons needed for your students' success.

You will leave knowing how to:

- use an effective measurement tool that defines the required level of thinking of the standard,
- scaffold instruction to move students to deeper levels of thinking, and
- design differentiated questions for specific content standards using the already made stems provided.

Sign up now! Don't miss out in designing dynamic learning opportunities that will take your students to new heights in learning!

Cost: \$199

Testimonials

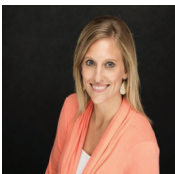

I feel like I have been living a lie! DOK makes so much sense! I can now ensure my lessons are at the level of rigor of STAAR!

Goose Creek ISD Bilingual Teacher

Not only was this training engaging, I found it to be exactly what I needed to move my lessons to higher levels! Thank you EL Saber!

Our Presenters

Jennifer Kleiber - As Senior Manager for Training at EL Saber, Jennifer brings a love for training and coaching teachers of struggling learners, from long-term

ELs to newcomers. She has a passion for equipping teachers with knowledge and strategies to boost the motivation and success of all students through interaction, rigor and intentional language development.

Valorie Kruger - As teacher, trainer and coach in Florida and Texas, Valorie developed an immense passion for literacy instruction. She has channelled her energy to empower teachers

in areas of DOK, guided reading, PLCs, building interventions and modelling lessons in the classrooms. She believes that the experiences that teachers gain equip them to steer their planning and lesson delivery in the most appropriate ways.
